

# March

## Armour Care LLC Newsletter.

The newsletter aims to help us inform you of what is going on at your child's childcare center.

### Notice:

**PFCC Parents:** Clock in/out on the PFCC tablet at arrival and departure. We cannot do this for you; missed sign-ins will be invoiced.

### Important Information

Parents, please ensure that you bring your child with socks and shoes. We do go outside, and it is not fair to everyone else in the class if the reason they can't go outside is that your child doesn't have shoes to wear outside.

Also, please remember to pack or bring them in a coat because some days it is a bit chilly outside. Please check the weather to make sure.

**Resource Section:**  
Would you like free books delivered to your house check out
